

## 2018-2019 Northville High School Band – Uniform Info

***Please keep this info for your reference.***

Students will be assigned a marching band uniform during Band Camp in August, and if applicable, a tuxedo in November. Every effort is made to best fit each student with the marching uniforms and tuxedos that are available. Please help keep them in great condition for years to come by following the Uniform Care and Wear Instructions.

Marching uniforms and tuxedos are the property of Northville Public Schools and must be returned during the designated return day and time. Each piece is marked with a unique number which is recorded under your student's name. Students are responsible for keeping track of items issued to them and each student must return the numbered items as issued to them. If a student turns in an item issued to another student, their own item will be considered missing and a replacement fee assessed. A repair fee will be assessed for any damages noted.

Marching band students will receive the following uniform pieces. Replacement costs are noted next to each item.

Coat (\$200)	Shako (Hat) (\$50)	Plume (\$20)	Black Hanger (\$5)
Trouser (\$90)	Shako Box (\$10)	Plume Holder (\$5)	Garment Bag (\$10)

### **Northville High School Band - Uniform Care and Wear Instructions:**

- **Pants:** **PLEASE DO NOT LET PANTS DRAG ON THE GROUND!!!!** The pants can be hemmed to the correct length, but **DO NOT CUT** the pants for any reason! They need to be able to be altered for a different student in following years. If pants come back frayed because they were not properly hemmed you will be assessed a fine.
- **Cleaning:** The Band Service Fee paid covers the final cleaning for the year. If the uniform needs to be cleaned during the school year, **PROFESSIONALLY DRY CLEAN at your expense.** The Band uses Alpine Dry Cleaners (42295 Seven Mile Road, Northville) as it's dry cleaning service. They take great care in the handling of our uniforms. For this reason, we recommend using their service if the uniform needs to be cleaned during the school year. However, any reputable professional dry cleaner is acceptable.
- **Wet Uniform:** If any part of the uniform is wet please hang up to dry. **DO NOT** put in dryer. If plume is wet, dry with hair dryer on low. Keep dry plume in cardboard plume holder when not being used.
- **Gloves:** Freshman and new students are given a new pair of gloves. These will not be turned in at the end of the year. Hand wash and lay to dry as needed. Gloves are a required part of your uniform. See Mrs. Ray-Hepp if you need another pair, replacement cost is \$5.
